International Conference on Radar 2023
Special Sessions Proposal

Important Information and Guidelines

To submit a proposal, complete the below form and submit it as a 'Special Sessions Proposal' via the conference platform, https://radar2023-c10000.eorganiser.com.au/, before **Wednesday, 1 March 2023, 11:59pm AEDT**. Prior to submissions, make sure you have invited and received confirmation from your speakers. Notification of acceptance is within 3 weeks, and if accepted, your speakers will be required to submit a paper by the conference deadline – **Monday, 1 May 2023**, 11:59pm AEST. All papers will undergo the review process. For papers not accepted, speakers will still have the option of submitting their work as a regular paper.

As part of the proposal, please abide by the following guidelines:

- No more than ONE paper per organiser
- Speakers must be available to attend the conference in person and understand that a conference registration for each presenter is required to remain in the program
- Must include contributors from various organisations/affiliations
- One paper timeslot may be converted to a panel discussion (optional)
- Special sessions with contributors from multiple nations are preferred

Submitter Information (maximum two organisers)

Organiser 1 Name		Organiser 2 Name	
Email		Email	
Affiliation		Affiliation	

Session Information

Summary of special session (provide a brief description of the research area addressed and the rationale for the special session, along with a discussion of its special, unique or distinctive features).

Expected Attendance (this section should include a discussion of the relevance of the session topic for potential attendees from academia, industry, and governmental agencies as well as an estimate of the expected attendance).
