

' DREAMING THE RADAR FUTURE '

CALL FOR TUTORIALS

Conference Location

In 2023, the International Radar Conference will take place in Sydney, a unique mix of beauty and culture to inspire the future of radar systems. The Sydney International Conference Center will be the venue for the main events, including the tutorials held on November 6 and November 10, 2023.

KEY DATES	
Tutorial proposal submissions open	January 2023
Tutorial proposals submission deadline	Monday 29 May 2023
Acceptance notification	Friday 30 June 2023
Tutorial submission due	Saturday 30 September 2023
Conference dates	Monday 6 – Friday 10 November 2023

Submissions

Prospective tutorial presenters are invited to submit a two-page summary outlining the tutorial title, contact information, biography, the intended audience, the rationale for the tutorial including the importance and the novelty of the proposed topic for the radar community, schedule for a four hour lesson (including a 20 minute break), material to be distributed to participants, and a possible list of previous venues where the proposed tutorial has been presented along with an estimate of attendance numbers.

For any inquiries, please contact the Conference Organisers by email (radar2023@arinex.com.au). Submissions must be electronically submitted via the portal no later than May 29, 2023.
